

# CAPTURE THE FLAG

## How 3L33T Are You?

Unleash your elite cyber skills at our upcoming CTF extravaganza. Test your knowledge in this Jeopardy style CTF by answering questions on a variety of cybersecurity topics such as:

- Network Forensics
- Coding
- Web Hacking
- Cryptography
- Analytics
- Penetration Testing
- Malware Analysis
- Algorithms
- Reverse Engineering

Fly solo or join forces with up to three allies. You may bring a team or show up and make some friends. Max team size of four.
