

Texas Department Of Information Resources (DIR)

Texas Department Of Information Resources (DIR)

We provide software (COTS) and related services through the DIR contract. Parsons offers its own brand, Parsons iNET®, a SaaS and software advanced transportation management system (ATMS). Parsons offers a variety of related services that include but are not limited to:

- Implementation
- Configuration
- Project Management
- Business Analysis
- Technical Support

Customers can purchase directly through the Parsons DIR contract. Contracts may be used by state and local government, public education, other public entities in Texas, as well as public entities outside the state. Resellers are not available for this contract.
